“InBit – Event & Education”,
 ha sede a Roma e si propone di realizzare progetti di grande valenza istituzionale, valorizzando la conoscenza e il capitale umano di
 eccellenza, fondendo gli sviluppi della ricerca scientifica e dell’innovazione con il patrimonio universale di principi e valori della cultura
 umanistica europea.
 Tra gli obiettivi principali di In Bit, l'internazionalizzazione delle attività di formazione, realizzate in partnership con università e centri di
 ricerca di eccellenza, istituzioni governative, ambasciate, organizzazioni internazionali, enti no profit, fondazioni, istituti ed imprese.
 InBit – Event & Education mira, altresì, a tutelare i valori della cristianità e del dialogo interreligioso, i diritti della persona umana, della
 giustizia sociale, della cultura di genere e delle pari opportunità.
